

## VISION & SCOPE: SMART FREEZER ALERTS

For-Who-Helps-So That:

For: Kiosk owners

Who: Need to monitor freezer temperatures

Helps: By sending automatic alerts

So That: They prevent food spoilage and save money

Scope (What we'll build):

- Temperature monitoring with alerts
- Device status dashboard
- SMS/email notifications
- Temperature threshold settings

Non-Goals (What we WON'T build):

- Mobile app version
- AI predictions
- Multi-language support

Success Metrics:

- Alerts delivered within 5 minutes
- Dashboard loads in under 3 seconds

SCOPE FENCE:

[ Must: 55% ]

- ✓ Temperature alerts
- ✓ Device status

[ Should: 25% ]

- ✓ Alert history
- ✓ Settings page

[ Could: 15% ]

- ✓ User accounts

[ Won't: 5% ]

- X Mobile app
- X AI features
